

FIRM PROFILE

Joshua Zinder Architecture + Design is a full-service, multidisciplinary architecture and design firm. Founded in 2006, by Joshua Zinder, AIA, NCARB, LEED AP, we offer a “complete design” approach, providing hospitality, interiors, commercial and institutional architecture services as well as full product, furniture and graphic design services.

JZA+D is an up-and-coming high end design firm; our skilled team brings over 40 years of collective experience. Comprised of talented architects and designers from different countries and cultures, we have created designs for and studied under some of the leading architectural design houses of our time. With this talented pool, JZA+D employs a collaborative design process, resulting in solutions that are modern, cost-effective and state of the art. JZA+D specializes in developing spaces that offer a unique experience which reflects the personality and nature of our clients.
